

LANINGHAM'S LYNX

Canyon Springs STEM Academy

End of Year / Summer 2014 Newsletter

Canyonsprings.dvusd.org

I hope you and your families are doing well, and that you have some fun and exciting plans for your summer break. We truly did a lot this year, and I hope your son or daughter learned a great deal. With summer approaching, I want to provide some opportunities for my students to continue learning and growing.

- Yes, I know. I am soooo mean...

I am meeting with students on Monday, 5/19, to go over the summer work and answer any questions they may have. They should now have a folder with the project page and the SAGE Expectations page in it. Please sign the Expectations page and send it back to me as soon as possible.

I will continue to update my website throughout the summer. (It does already have the summer work documents on it in case the hard copies disappear). As always, I am available through e-mail. I hope you have a safe and enjoyable summer!

SAGE ELA Supply List:

- Three-ring binder with 5 tabs/dividers
- Lined paper and pencils
- Color Pencils
- USB Thumb Drive on which to save work electronically or Google (or similar) account for word processing, e-mail, etc. ***Please make sure parents have the login information to monitor student activity***

6th Grade Additions for after Winter Break:

- Alice's Adventures in Wonderland & Through the Looking-Glass by Lewis Carroll
- The Hound of the Baskervilles by Sir Arthur Conan Doyle

****Both novels must be unabridged** and can either be actual books or digital (on a Nook, Kindle, tablet, etc., that can be brought to school). They are classics, so the books are inexpensive and sometimes free if you get them electronically.

Donations for the SAGE Classroom:

(We always need these)

One box/package:

- Color Pencils
- Tissues or Paper towels
